REACHING INTO *THE FUTURE*

Wild Heart Takes On Youth

The Wild Heart DTS Stream is focused on what it looks like to pursue God with a heart on fire for Him, encouraging students to go after a relationship with God like those in the bible who were radically obedient: Moses, David, Deborah etc.

Last month, the Wild Heart stream students and staff helped out at a youth retreat weekend for eighteen Palmerston North youth between the ages of 12 and 18.

After finishing lectures covering the topics of the Father Heart of God, Authority and Submission, the Character and Nature of God, and Hearing God's Voice, the 12 students and staff loaded up in vans and drove two and a half hours to join the youth from St Alberns, located in Palmerston North.

The goal for their time with the youth was to see them go deeper with the Lord, receiving personal revelations of who He is. Collectively, this was done through teachings by the DTS staff and students on Surrender, Lordship, and Wholehearted Obedience, as well as spurring the youth on to pursue God by sharing words of encouragement and scriptures with them.

One of the highlights from the weekend was the Saturday night ministry time, in which youth had the opportunity to write down things they felt to surrender to God, and then symbolically burn the paper.

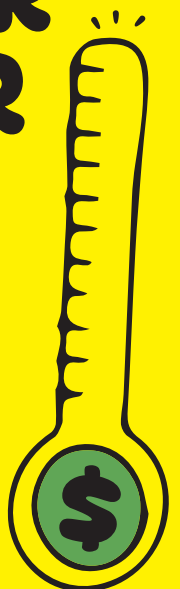

Kaitlyn Rodley, one of the Wild Heart staff, reflects on the weekend: *"It was beautiful to see change in the youth, even after such a short time with them. God started some deep works and it felt so special to have been a messenger of what He wanted to say to them."*

The Wild Heart Stream will be finishing up their lecture phase along with the rest of the DTS, and will leave for outreach mid October.

Please pray for the DTS students and staff: that God would be working mightily in their lives, as well as through them as they continue to invest in others throughout outreach.

KICKSTARTER FUNDRAISER CAMPAIGN

We believe that, with your help, however big or small, God will release enough finances to rebuild the physical aspects of our ministry that need it. We're calling it the \$1-2-3k Kickstarter Campaign, because **we need \$123,000 NZD to get Marine Reach back to where it can physically sustain the dozens of young people headed our direction, all in desperate need of God's healing and equipping in their lives.**

STAFF SPOTLIGHT: **The Lyra Family**

In August 2019, Douglas and Juliana Lyra boarded a flight from Brazil with high hopes of serving the Lord as missionaries. Although they knew they were starting a new chapter, they certainly didn't know what the next few years would involve!

The couple knew a family already working with YWAM in New Zealand, and they moved to Tauranga with intentions to increase their English fluency and attend a Discipleship Training School at Marine Reach. Prior to the start date of their October DTS, they flew to Vanuatu and served at the FCC. With Juliana's education and experience as a dentist, she was able to offer support in the clinic. Douglas, ever ready to jump into whatever project needs to be tackled, helped with grounds, maintenance, and cooking..

Juliana and Douglas completed their DTS, participating in an outreach to Fiji where they were able to put their respective experiences and skills to work, and then they joined staff at Marine Reach. They were both able to complete the first Discipleship Bible School at Marine Reach in 2020, and then went on to staff the October 2020 school.

Since April 2021, Douglas has been serving in the media department at Marine Reach. Starting 24 October 2022, he will be coordinating a 4-week intensive School of Media on how to use media, such as photography, videography, and social media, as both a ministry to build connection with others and as a tool to share God's stories with excellence.

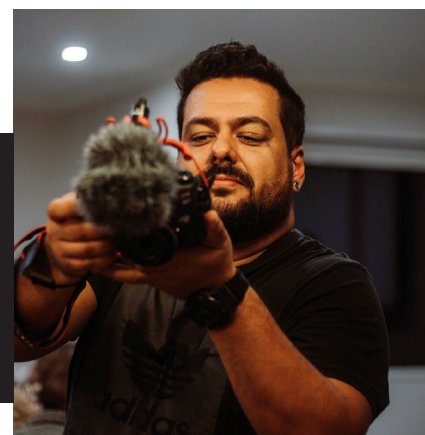

Juliana has been managing the Marine Reach kitchen since the beginning of 2022, frequently cooking delicious meals and coordinating teams to fulfil kitchen duties such as dishes and meal prep.

The Lyra's son, Davi, born in September 2021, is a true YWAM baby! He has learned to crawl on the Marine Reach lounge floor, cheerfully waves hello and goodbye to any number of students and staff, and generally brings joy and delight to all who spend time with him.

We are so thankful for this family and their faithful, versatile service at Marine Reach over the past three years! They tirelessly serve behind the scenes to keep various aspects of the ministry ticking along smoothly.

KICKSTARTER FUNDRAISER CAMPAIGN

*This is where you can actually make
a difference: we need your help.*

We believe that, with your help, however big or small, God will release enough finances to rebuild the physical aspects of our ministry that need it. We're calling it the \$1-2-3k Kickstarter Campaign, because we need \$123,000 NZD to get Marine Reach back to where it can physically sustain the dozens of young people headed our direction, all in desperate need of God's healing and equipping in their lives.

In God's economy, every piece of the puzzle has its place and is worthy of honour. Your gift, no matter the size, makes a huge difference.

We know we can do what God has called us to do: disciple young people and nations. With your help, we can do it better. Join us in the \$1-2-3k Kickstarter campaign, and make an eternal impact in the up and coming generation.

Let's face it: the last couple of years have not been easy on anyone! The global public health emergencies, political turmoil, threat and appearance of war, and the separation, loneliness, and loss we've all experienced are shaking's that have been felt far and wide, and no one has been immune.

Yet, the tide is shifting. There is a growing sense that "Aslan is on the move," and the seasons are turning once more.

The emerging generation we're prepared to disciple in our programs has been tested in a unique fire, and they are ready to discover their purpose. But this will not be an easy road to walk. These ones who made it through the pandemic are in desperate need of the love, power and tender care of Our Heavenly Father.

And they're coming. In droves.

As a ministry, we've taken hits over the last couple of years as we've struggled with limited resources (both human and financial). We've made sacrifices just to make it through. And it's starting to show.

In order to make it as easy as possible for young people to have their lives transformed throughout the pandemic, we offered significant (i.e. outrageous) discounts, which seriously ate into our bottom line and our ability to keep our physical property maintained.

Here's a list of projects that we need your help with:

- Vans: \$25,000
- Cool Room: \$15,000
- Dishwasher: \$15,000
- Water Pump: \$30,000

- Washer/Dryer: \$10,000
